Title of Website: Portfolio Website

URL of Website: <https://rubyportfoliohtml.netlify.app>

URL of Github Repository: <https://github.com/rbsolomon/IntroToComputing-Website-Project.git>

**BRIEF DESCRIPTION:** It is a simple portfolio website which contains my personal information, my skills, contact and my works like my shots. I decided to make this portfolio website because I believe, I can use this for my future purposes such as business.
